

Product Schedule for Broadband and Phone Services

This is the Product Schedule referred to in our standard residential terms and conditions for the supply of broadband and phone services (**Standard Terms**). All capitalised terms used in this schedule have a particular meaning which is specified in the Standard Terms. All clause references in this Product Schedule are references to clauses in the Standard Terms. These terms may be amended from time to time in accordance with the Standard Terms. If there is a conflict between a term in our Standard Terms and in this Product Schedule, the term in this Product Schedule will apply.

You confirm acceptance of this Product Schedule and the Standard Terms when applying for the supply of the Services.

The Services are only available to residential customers. We have the right to terminate the Services if your eligibility changes for any reason.

Broadband Service and Phone Service

A Broadband Service and a Phone Service are available. You can select your Broadband Service and Phone service plan at the point of sign up and change your plan at any point while you are a customer with us. This is however dependent on what services are available at your Premises. Our Phone Service is available to you when you have your Broadband Service with us. If you no longer have a Broadband Service with us, then your Phone Service will automatically be terminated effective from the date your Broadband Service account is closed.

The current rates applying to the Services are applicable from 1 July 2019. The rates may be amended from time to time. The rates are GST exclusive

Broadband Service rates

There are standard Broadband Service rates and a bundle up Broadband Service rates. You are eligible for BundleUp Rates if you have your Electricity account with Grey Power Electricity. If for any reason you no longer have your Electricity account with Grey Power Electricity, our Standard Rates will apply. For more details about current pricing for the Broadband Service visit Webpage greypowerelectricity.co.nz/broadband.

Phone Service rates

The base product for Phone Services is the National Landline Plan which includes phone rental. Other features can be added. You will be charged for the Phone Service plan you have selected. You are able to add other plans or change your plan at any time. For more details about current pricing for the Phone Service and plan options (including calling rates) visit Webpage greypowerelectricity.co.nz/phone.

Set Up Charges

You will receive a Modem when we supply Broadband Services to you. A Modem Delivery Fee will apply. This will be added to your first Bill. There is no upfront charge for your Modem but if you leave within the Initial Term a Broadband Early Termination Fee will apply.

Payment terms

We will send you a Bill for the Fees and Charges incurred by you for Services at the rates referred to above at least once every month. You must pay Bills in full by the due date for payment specified in the Bill.

Late payment

If you do not pay by the due date specified in the Bill, we may suspend or restrict the Services, charge an Administration of Arrears Fee and recover from you any debt recovery costs.

Termination of Services

If you wish to terminate the supply of Services, you are able to do so in writing or over the phone. You must provide us with no less than 30 days' notice. If you do not provide us with 30 days' notice, you will be required to pay one month's charge plus any outstanding amounts. If you terminate within the Initial Term of 24 months, a Broadband Early Termination Fee will apply.

Emergency

The Services require power. In the event of a power outage, the Services will not be available and so your phone line may not work. We strongly advise all customers to have a backup option such as a mobile if there is an emergency during a power outage.

Fair Use Policy

Our Services include "Unlimited" plans. They are designed for personal use by residential customers only and are subject to our Fair Use Policy. Our Fair Use Policy has been developed by reference to average customer profiles and estimated customer usage of the Services.
